OA Personnel Update – Gary Fogelbach, OA

-The PAB approved the FY08 COLA recommendation of 3.7%. There will not be within grade increases.

-OA Personnel offered a new training called “Navigating the Missouri Merit System” that seems to be very helpful if you know of anyone that would like to attend, please sign them up.

-OA’s policy for paying for licenses and registrations needed to perform jobs leaves the decision in each agencies power to decide if it will be paid for by the agency or by the staff. The agencies would like to see a more consistent policy.

OA Accounting Update – Vandee DeVore, OA

-MOSERS conference is set for August 24th. Any staff needing to attend needs to get signed up soon.

-Statements went out from CitiStreet and several problems have already been addressed with them. Send any complaints to Allen Scott and we’ll have him come to the next meeting to address the problems as a group.

-MCHCP open enrollment meetings are being held. Payroll representatives need to get signed up to attend one of the meetings.

-OA is getting closer to being able to filter out non-MOSERS eligible employee pay stubs out of the Agencies. This will allow OA to still send paper checks to some but not the majority.

***Note: If your pay stub does not match what MOSERS has for your pay you won’t be able to view your stub online.**

-Department of Revenue is checking licenses of State employees who drive fleet vehicles. The person in charge of your agencies fleet management is the contact.
