CLAIM, State Health Insurance Assistance Program- Linda Bohrer, DIFP

CLAIM is a Medicare counseling program. Provide assistance to all Missouri residents regarding Medicare. Volunteers make up most of the Councilors across the state. Examples of what they can help with (see power point) include the following:

- Medicare Education (Parts A, B, C and D)
- Medigap policies
- Other types of supplemental policies
- Medicare Prescription Drug Program
- Billing Issues
- Appeals and Grievances
- Outreach
- Fraud and Abuse
- What you need to do when you are getting ready to retire.

Pamphlets and other informational handouts are available by contacting Linda.
