(MACHS Phase 1.5)

- Businesses and Agencies that provide care or care placement for children, the elderly or disabled are eligible to receive State and FBI criminal history information upon submission of fingerprints. In order to receive this information the Business or Agency must be registered with the Missouri State Highway Patrol.

AND

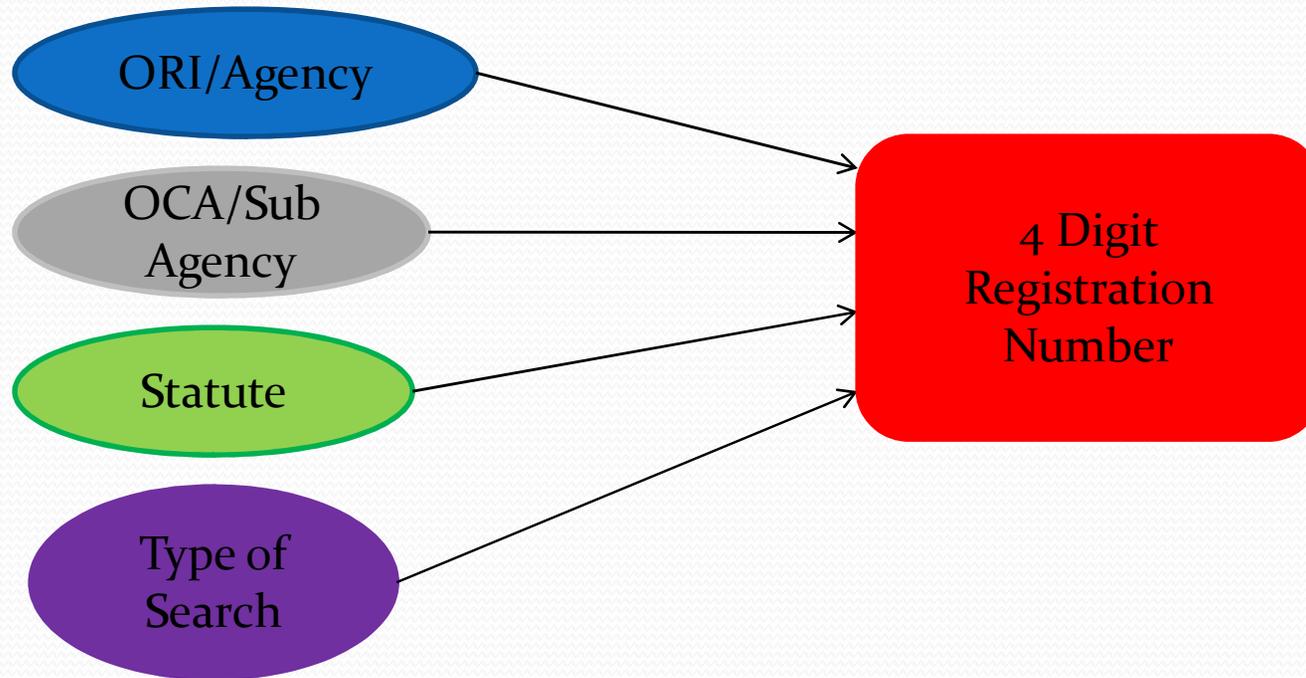

# MACHS Fingerprint Search Portal

## (MACHS Phase 1.5)

- Upon registering with the Missouri State Highway Patrol your Business or Agency will be provided a Registration Number.
- This registration number identifies:
  - Your agency name and address (where the results should go)
  - The authority under which you can run the search (state statute)
  - The type of search that you will receive (State only or State and FBI)

# The Missouri Automated Criminal History Site MACHS Registration Number

# Fingerprint Fees

- State Fee
  - Standard State Fee is \$20.00 (fee is waived for state employment)
  - State Fee for applicants fingerprinted for CCW pursuant to 571.101 RSMo. or Foster Care pursuant to 210.487 RSMo. is \$14.00
- FBI Fee
  - Standard FBI Fee is \$16.50
  - FBI Fee for volunteers for qualified entities is \$15.00
- Notarization Fee
  - The results of the State Search may be notarized upon request – an additional \$2.00 fee applies

# MACHS Integration with 3M/Cogent

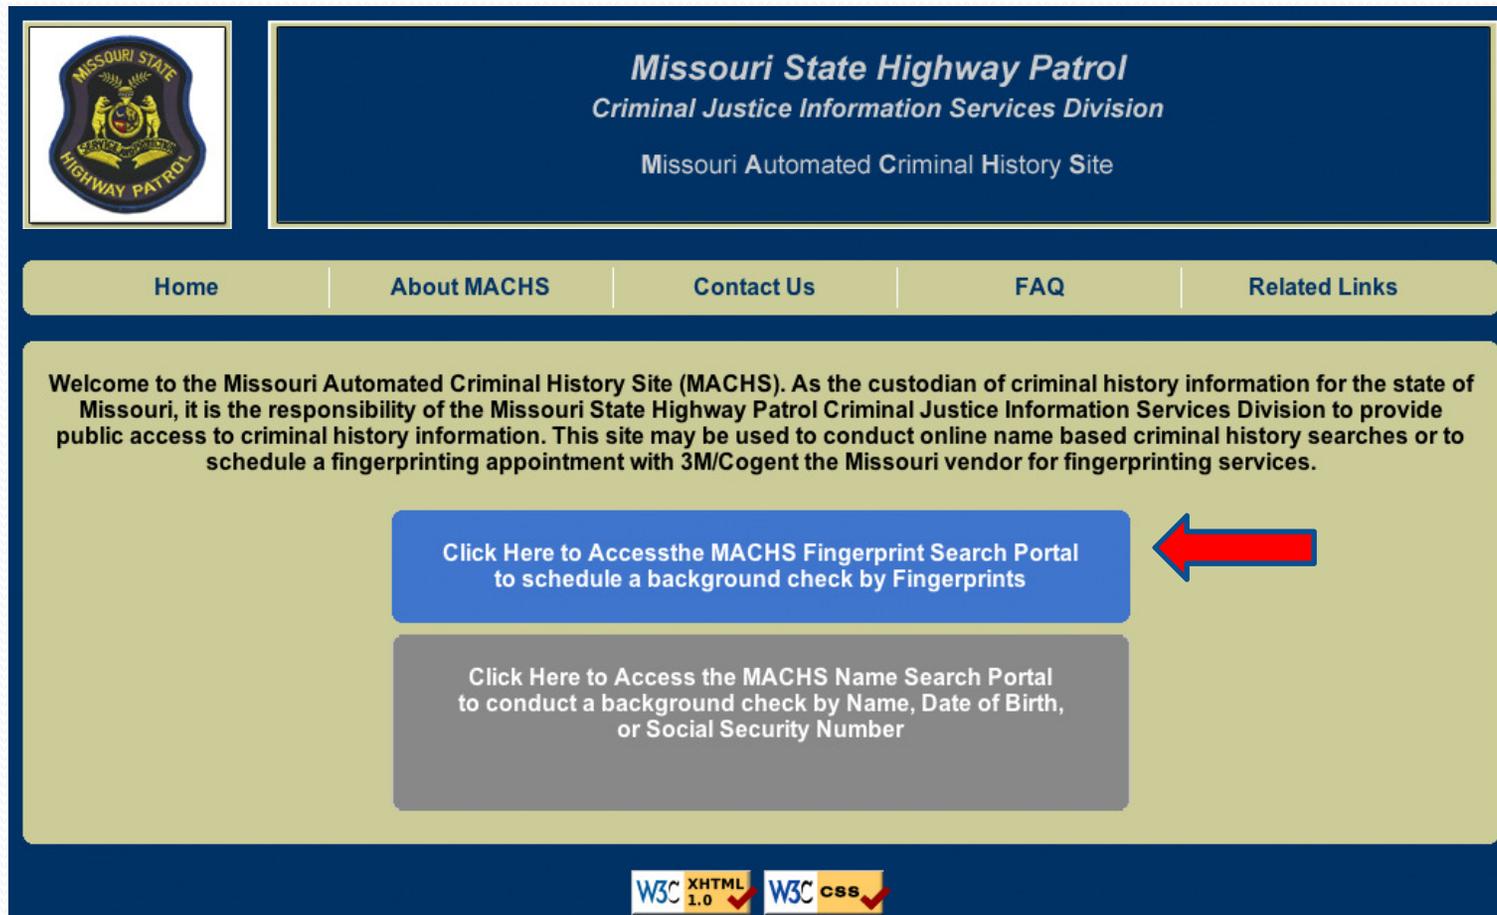

3M/Cogent is the Missouri Fingerprint Services Vendor

- Over 52 locations statewide
- Can electronically submit fingerprints to the MSHP, greatly decreasing processing time
- Applicant Photo is taken at the time of fingerprinting.
- Cogent may be contacted at 1-877-862-2425
- Additional \$8.30 fingerprint processing fee
- Results will be returned in 7 to 10 business days.

# Volunteer Status

- The registration form will also ask applicants if their background check is being conducted for a position as a volunteer.
- Volunteers must ensure that they answer this question correctly in order to ensure that they are only charged the FBI Volunteer Fee.
- The FBI will not issue a refund if the applicant fills out the form incorrectly.

# Fill Out Form

- Once the applicant verifies that their agency information is correct, all of the applicant's personal data should be entered into the form.
- Mandatory fields are marked with a \*
- In some cases an applicant's specific employer information may also pre-fill based on the 4 digit registration number supplied.

## Notarized Letters (if required)

- For certain purposes, applicants may have the option of selecting if they would like notarized clearance letters to accompany the results of their background check.
- If they are eligible, this option will appear at the bottom of the form. If notarized letters are requested, the Mail Notarized Results field should be set to “Yes” and a specific country format for the letters selected (ie United States, Bulgaria, etc.)
- There is a \$2.00 surcharge for Notarized Letter Requests.
- Note: for International adoptions and Visas some countries require notarized letters to be in specific formats. The country selected will ensure that the correct letter is returned along with the background check response.

A notarized letter will be provided upon request. Please note that requesting a notarized letter will delay your response due to time spent in the mail.

Mail Notarized Results  International Use

# Confirmation

- Once the form has been completely filled out with all required information clicking “Register” will return a confirmation Screen.
- The top of this confirmation screen will display the applicant’s unique Transaction Control Number (TCN). This number will serve as the applicant’s tracking number should the applicant need to inquire about the status of their background check in the future.

**Your Transaction Control Number (TCN) is: MH123456**

This number will serve as your unique tracking number throughout the Missouri fingerprint process. Please save this number for your records. Once you have verified your information below select "Schedule Fingerprinting" to schedule an appointment with 3M/Cogent the Missouri Fingerprint Services vendor.

- Once all fields have been verified, clicking “Complete Registration” will transfer the user to Cogent’s website to begin the scheduling and/or walk-in fingerprinting process.

# Payment

- Applicants will have the option to pay for their background check via credit or debit card online.
- If an applicant wishes to pay on-site by check, money order, or cash, or in the case where an applicant's agency has requested to be billed, the online payment step may be skipped.
- Escrow Accounts are also available through 3M/Cogent.

The screenshot shows the 'Step 3 - Credit Card Payment' page of the COGENT Applicant Fingerprinting Online Services. The page includes a header with the COGENT logo and a police badge icon. The main content is divided into two columns: 'Registration Information' and 'Credit Card Information'. The 'Registration Information' section displays the TCN (MO00011), Name (SANDY SMITH), Transaction Type, and Transaction Fee (\$ 40). The 'Credit Card Information' section includes fields for Credit Card Type (Visa), Card Number (4055011111111111), Card Verification Code (CVV2) (456), Expiration Date (01/2015), and Name As It Appears On Card (SANDY SMITH). The 'Billing Address' section includes fields for Street Address (656 Second St), City (Jefferson city), State (Missouri), Zip Code (65101), Daytime Phone Number ((314) 569 - 7896), and Email Address. A 'Pay' button is located at the bottom center, with 'Home' and 'Back' buttons below it. A note at the top of the form states: '\* Fields with the yellow background color are required. Important notice regarding failed payments and google toolbar'.

# Viewing Available Sites

- Applicant’s scheduling appointments through Cogent will have the option of selecting one of at least 52 fingerprint services sites throughout the state of Missouri.

# Fingerprinting Session

- At the fingerprinting session applicants will be fingerprinted and have their photos taken.
- At the conclusion of the session applicants will be provided a receipt that contains their unique TCN.
- Applicants should use this TCN if they need to inquire about the status of their background check.
- The completed background check response will be mailed to the requesting agency within ten business days after fingerprinting is completed.

# Fingerprint Rejections

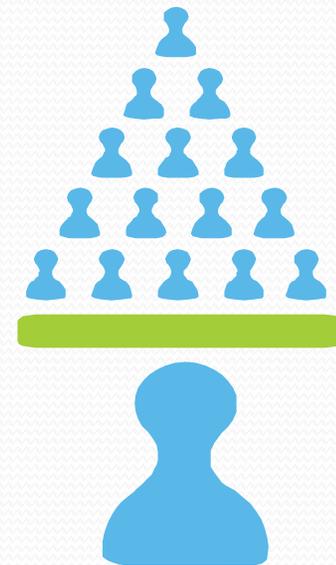

- If an applicant's fingerprints are rejected by either the State or the FBI, Cogent will directly contact the applicant to schedule an appointment to be re-fingerprinted.
- If an applicant's fingerprints are rejected by either the State or the FBI twice the applicant will be eligible for a name search. In this case the MSHP will send the requesting agency all necessary forms to complete this search.

# MACHS Phase 2

- Will return Fingerprint-based State & FBI responses in electronic form that can be accessed via a secure website.
- Will allow better coordination with 3M/Cogent for fingerprint status information.
- Will allow agencies to receive Rap Back responses on individuals arrested after their background screening.

# Account Set-up

- Accounts can be set-up at the ORI or OCA level. Levels of Access Include:
  - Administrator ORI Access
    - Can view all responses for an ORI.
    - Can add/edit/delete users for the ORI.
    - Can request add/edit/delete OCA's associated with the ORI.
  - Read Only ORI Access
    - Can view all responses for an ORI.
  - Administrator OCA Access

Applicant Rapback Notice**

An applicant that your agency currently maintains a rapback subscription on recently received a new arrest within the Missouri Computerized Criminal History System.

If this person is still of interest to your agency, you may request an updated Missouri criminal history record via your Rapback Queue by logging into your account at the following address: [www.machs.mo.gov/rapback](http://www.machs.mo.gov/rapback)

If this person is no longer of interest, you may un-subscribe from future rapback notifications for this individual by deleting the notification from your Rapback Queue.

Please Note: Your agency will have 30 days from the date of this e-mail to request an updated criminal history record. If no action is taken within 30 days then the applicant will automatically be deleted from your agency's Rapback Queue and your agency will no longer receive future updates concerning this individual.

# Federal Rap Back

- Currently scheduled for implementation in Summer/Fall 2014
- Will integrate with MACHS and mirror Missouri Rap Back Workflow
- There will be a fee associated with the Federal Rap Back program to be paid either by the agency or applicant at the time of enrollment.
- The FBI has not yet made public the fee amount.
- In order for agencies to participate in the National Rap Back Program their State must have legislation in place giving the FBI approval to retain applicant fingerprints and to search these fingerprints against the National Unsolved Latent Database.

### MACHS Validations

Pursuant to CJIS Security Policy every five years MACHS agencies must validate that all applicants enrolled in the State or Federal Rap Back programs are still employed or of interest. Failure to validate this information by the applicant's expiration date will remove the applicant from the Rap Back program.

## Status Key

- Not Received:** The MSHP has not received a status update from Cogent. Status results should become available 24 hours after an appointment is made.
- Fingerprints Submitted:** Cogent has submitted your fingerprints to the MSHP for processing as of the date and time shown.
- Received: In Process:** The MSHP has received your fingerprint submission as of the date and time listed, however, it has yet to be completed.
- Complete:** The MSHP has completed your fingerprint submission and results have been forwarded to the appropriate entities.

# Summary

As envisioned, MACHS 2 will:

- Allow state agencies to receive most State and FBI fingerprint results within 48 hours of the applicant being fingerprinted.
- Provide state agencies to subscribe to RAPBACK notifications regarding their applicants to receive updated Missouri criminal history arrest information as it occurs.
- Provide the ability to view the status of a fingerprint submission from the moment the applicant is registered in the system, until the time both State and FBI responses are posted electronically to MACHS.
- Allow State Agencies to create sub-accounts, allowing the organization of users and ability to monitor access rights by ORI/OCA.
